Professional Summary

International sales professional focused on territory expansion, channel development, project-based B2B sales, and commercial risk control. Experienced in building distributor pipelines, securing pilot business, negotiating market-specific terms, supporting repeat order growth, and using structured analysis to improve overseas market execution.

Work Experience

International Sales and Overseas Market Development 2025.06 – Present

- Covered 8+ countries and supported territory expansion through direct partner outreach, market screening, and opportunity qualification.
- Built 40+ pipelines and maintained follow-up discipline across distributors, end users, laboratories, and new accounts.
- Secured pilot orders by matching product value with local customer requirements, channel conditions, and account timing.
- Negotiated pricing and contract terms with attention to commercial feasibility, partner motivation, and account sustainability.
- Conducted overseas visits, exhibitions, and partner meetings in 7 countries to strengthen trust and move deals forward.
- Ensured repeat orders through post-sale coordination, account development, and relationship continuity with overseas partners.
